

## Troubleshooting Guide for Hinge Door & Inline Panel

1. Do the finished measurements on the tray comply with the adjustments listed in the product specifications book?
2. Is the tray level and secured?
3. Are the wall profiles stepped in the recommended 20mm
4. Are the wall profiles plumb, checked with a plumbing line/spirit level?
5. Is any part of the enclosure overhanging the outer edge of the shower tray?
6. Are doors closing evenly on the ball catches? (See door instructions)
7. Is the unit silicone sealed correctly? (See door instructions)
8. Is the door closing smoothly on the ball catches? (See door instructions)
